November 2026

CURRICULUM VITAE

PERSONAL INFORMATION:

Name: Marla Beth Shapiro
Office address: 226 E. Tremont Ave Charlotte NC 28203 (main office) and
5627 NW 86th St Ste 200 Johnston IA 50131
Office Phone: 704-317-7177 Fax: 888-598-9466
Email: mbs@brainhealthpllc.com

EDUCATION:

2/25 – 5/25	DEI Professional Certificate Program: University of North Carolina at Charlotte
6/91 – 3/91	Ph.D., School Psychology: Georgia State University Cognate: Developmental Neuropsychology and Multivariate Methods of Analysis Dissertation: Neuropsychological Assessment Models of the Structure of Attention in Children
6/90 – 6/91	Ed.S., School Psychology: Georgia State University
1/89 – 6/90	M.Ed., School Psychometry: Georgia State University
8/80 – 5/84	B.A., Psychology: University of Virginia

LICENSURE/CERTIFICATION:

Georgia Psychology License #PSY001981
Iowa Psychology License #09724
Iowa Health Service Provider License #098191 North Carolina Licensed Psychologist (Health Services Provider) #6454
Previous licensure (expired due to non-renewal) in Connecticut, Maryland, District of Columbia, Nebraska
Nationally Certified School Psychologist (NCSP) #31939
National Register Health Service Psychologist #56702
Diplomate Behavioral Sleep Medicine (DBSM)
ASPPB CPQ #4757
NPI #1568558872
Epic Physician Builder Level 2
APIT and IPC #4757 for Interjurisdictional Practice under PSYPACT
Former Credentialed ImPACT Consultant, RRCA Certified Running Coach

HONORS:

Fellow, National Academy of Neuropsychology
Fellow and Founding Member, Sports Neuropsychology Society

PROFESSIONAL EXPERIENCES:

CURRENT POSITION

3/21-present ***Developmental and Sports Neuropsychologist, Integrated Brain Health Services PLLC (Shapiro BrainHealth Group***) (self-employed private practice).
Promotion of brain health and identification and management of barriers to recovery or functional impairments associated with developmental disorders, illness, injury, or lifestyle. Clinical services include clinical and legal consultation, neuropsychological evaluation, and intervention services with children, adolescents, adults, families, and organizations. Particular expertise: working with twice-exceptional students and those with complex needs, medico-legal involvement, or requiring concierge care/care coordination, high-stakes testing, IEE's, working with elite athletes and in the differential diagnosis and management of persistent post-concussive symptoms, and behavioral sleep medicine. Clinical evaluations related to diagnostic clarification and medical and/or developmental disorders of children and

teens in the context of high-conflict divorce. Cognitive and behavioral interventions for a variety of sleep disorders including but not limited to CPAP habituation, lifestyle challenges, circadian and hypersomnolence disorders, and CBTi, and promoting organizational change. Development and implementation of sleep-related intervention programs to improve sleep, mental health, and performance for elite athletes. Integrated care coordination with network of related healthcare providers and educational professionals. Advocacy, corporate and athlete wellness, and community and professional education and training also provided. Independent Neuropsychological Consultant for Major League Rugby. Charlotte Area Independent School (CAIS) admission testing. Post-baccalaureate internship supervision. Approved by the American Psychological Association to sponsor Continuing Education for psychologists.

3/13-present
6/88-6/06 ***Volunteer Camp Counselor, Camp Sunshine,*** Atlanta GA. Program volunteer staff, leadership, planning, training, and support for year-round recreational pediatric oncology programs for children and their families

723-present
7/14-7/19;
7/07-7/12 ***Consultant, College Board*****.** Consultation to professional staff regarding disability determinations.

PREVIOUS RELATED POSITIONS

8/19-10/22 Independent Neuropsychological Consultant for AHL (Iowa Wild).

8/19-7/22 ***Developmental and Sports Neuropsychologist, UnityPoint Clinic Sports Medicine Concussion Center,*** Urbandale, IA. Developed protocols for evaluation, treatment planning and intervention for individuals with acute and chronic post-concussive symptoms, in coordination with onsite multidisciplinary team (Primary Care Sports Medicine, Athletic Training, Physical/Vestibular Therapy and SLP/Cognitive Therapy) to provide comprehensive clinical care, education, and training for healthcare providers, schools, organizations, coaches, families, and child, adolescent, and adult patients. Screening, monitoring, supervision and care coordination for broader patient community enrolled in pilot program for guided online cognitive-behavior therapy self-help program. Evaluation and consultation for individuals with chronic pain. Evaluation and behavioral interventions for sleep disorders. Neuropsychological evaluations for child and adolescent oncology referrals. Consulting neuropsychologist for AHL Iowa Wild. Position eliminated due to organizational downsizing.

2014-2019 ***Consultant, ACT*****.** Consultation to professional staff regarding disability determinations.

9/15-8/19 ***Sports Neuropsychologist and Developmental Neuropsychologist, Independent Neuropsychology Consultants (Self-employed private practice),*** Atlanta, GA. Evaluation, intervention, case management and consultation services to individuals and organizations in-office and via remote consultations. Primary office co-located with child/adolescent/adult psychiatry, clinical psychology and marriage/family counselor providers; secondary location as independent healthcare provider in private neurology practice/headache clinic:

- *Sports Concussion*: Evaluation and treatment planning for individuals with acute and chronic post-concussive symptoms, in coordination with related healthcare providers; concussion program evaluation, clinic set-up, education and training for healthcare providers, schools, organizations, coaches and families; consultation regarding test interpretation. Particular expertise in differential diagnosis and management of chronic and PCS symptoms. Child, adolescent, collegiate, and elite/professional athletes. Independent Neuropsychological Consultant for Atlanta United FC (MLS).

- *General Neuropsychology*: Psychoeducational and neuropsychological evaluations provided to children, adolescents and young adults, with particular expertise with twice-exceptional students (including LD, ADHD, ODD, Asperger's, Anxiety and Mood Disorders and differential diagnoses), as well as individuals with TBI, cancer/brain tumors, NF1, and other medical disorders. Consultative services provided to individuals, families, schools, and related professionals including intervention planning, educational planning and placement, parent / teacher education, and high-stakes testing documentation and appeals.

6/13-8/15 ***Chief Neuropsychologist, Gwinnett Medical Center Concussion Institute.*** Developed and implemented clinical protocols, evaluation and treatment pathways, and community education materials to launch new multi-disciplinary, comprehensive concussion program in the Gwinnett Hospital System in August, 2013 staffed by certified athletic trainers, physical therapists, neuropsychologists, schools/education staff, and administrative personnel; provided clinical supervision, direction and practice, consultation, research, community education and outreach; provided neuropsychological / concussion-related support for East Coast Hockey League's Gwinnett Gladiators and AAA Gwinnett Braves. Professional consultation with Pearson Assessment regarding concussion evaluation approaches.

9/08-8/13 ***Psychologist, Private Practice,*** Rockville, MD. Self-employed private practice, providing evaluation, intervention, research/evaluation and consultation services. Psychoeducational and neuropsychological evaluations provided to children and young adults, including abbreviated neurocognitive testing for concussion management. Consultative services provided to individuals, families, schools, and related professionals included test interpretation, intervention planning, educational planning and placement, and concussion management. Interventions for children and families consisted primarily of short-term behavior management assistance. Team neuropsychologist for DC United of Major League Soccer (2011-2013); Washington Freedom of Women's Professional Soccer (2010). Affiliated psychologist with the Weinfeld Education Group which offered pro-bono and sliding-scale services (2011-2013).

2010-2011 ***Director, Office of Accommodated Testing (MCAT), Association of American Medical Colleges***, Washington, D.C. Oversaw the Office of Accommodated Testing Services for the Medical School Admissions Test (MCAT). Responsibilities included documentation review and follow-up with applicants and their representatives, implementation of documentation review process and policies, supervision of support staff and external review panel, and interfacing with constituent association embers.

6/06-8/08 ***Pediatric Neuropsychologist, SCORE Concussion Program/Division of Neuropsychology, Children's National Medical Center; Assistant Director of the CNMC MRDDRC; Assistant Professor of Psychiatry and Behavioral Sciences, George Washington Medical Center***, Washington, DC and Rockville, MD. *Clinical* responsibilities included: comprehensive neuropsychological evaluations of children and adolescents; patient evaluations, monitoring, treatment planning, and care coordination for children/adolescents with concussions/mild TBI. *Training* responsibilities included provision of didactic seminars for post-doctoral fellows; supervision of pre-doctoral externs and interns and post-doctoral fellows. *Research* responsibilities included Co-PI on longitudinal studies of patients with NF1; Assistant Director of Neurobehavioral Evaluation Core of the CNMC MRDDRC and consultation with other MRDDRC investigators regarding study design and neurocognitive evaluation methods; Co-PI on CDC-funded studies of measurement tools for evaluating mTBI (concussion) in children and adolescents.

3/01-6/06 ***Research Associate, Department of Psychology, Georgia State University,*** Atlanta, GA. Primary responsibilities included database development and management, statistical analyses, psychoeducational assessments, and training of graduate

students/psychometrists for DOE and NIH sponsored reading intervention programs administered within local public schools. Research analyses focused on the analysis of measurement methods and program evaluation, particularly the development of (hierarchical linear) models of growth and change, and the determination and analysis of student, instructional, and environmental factors impacting student performance and intervention effectiveness.

1/02-6/06 ***Psychologist, Private Practice,*** Marietta, GA. Provided applied research and clinical services. Research services consisted primarily of database development, program evaluation, and statistical services (PI: Robin Morris PhD, MaryAnne Wolf EdD, Maureen Lovett, PhD). Contracted program evaluations included the 3 R's at Tufts and Harvard Universities and Syllables Reading Center Teacher Training Efficacy Study in Atlanta. Clinical services included neuropsychological and psychoeducational evaluations of children, adolescents, and young adults, as well as consultative services for families and schools and continuing education workshops for school psychologists.

8/98-12/00 ***Assistant Professor and member of the Graduate Faculty, Department of Counseling School Psychology (CSP), Southern Connecticut State University***, New Haven, CT. University service included: Faculty Senator; Senate Treasurer; Senate Finance Committee Chair; Senate Rules Committee member; Faculty Representative to the Graduate Student Affairs Committee and Research and Conferences Subcommittees; CSU-AAUP Committee W Family/Maternity Leave Task Force Subcommittee Chair; Faculty Advisor to the CSP Graduate Student Association; School Psychology Program Admissions Committee, Curriculum planning, Comprehensive Exam Writer and Grader, Student Advisement; NEASC Standards 10 and 11 Subcommittee member; Departmental NCATE liaison Faculty Mentor to 1999-2000 Graduate Research Fellow.

5/99-12/00 ***Psychologist, Private Practice,*** Cheshire, CT.

1/98-5/98 ***Adjunct faculty, Department of Counseling and School Psychology, Southern Connecticut State University.***

6/97-8/98 ***Staff Psychologist, Center for the Study of Learning and Attention, Yale University School of Medicine Department of Pediatrics,*** New Haven, CT. Research and clinical activities pertaining to the assessment of young adults with developmental reading and attention disorders, extending Connecticut Longitudinal Study follow-up to post-secondary students, and the development of new measurement tools and survey instruments. PI: Bennett Shaywitz MD and Sally Shaywitz MD.

3/94-6/97 ***Post-Doctoral Fellow/Kirk Dornbush Fellow in Developmental Neuropsychology, Georgia State University Department of Psychology,*** Atlanta, GA. Research and clinical activities pertaining to: measurement and methodological issues in the assessment of attention; family support services, school consultation, and assessment of children with TBI/ABI; MRS correlates of cognitive and behavioral functioning in children with brain tumors. Supervision of doctoral practicum students. Consultation to local pediatric hospitals regarding clinical research design and analyses.

1994-1996 ***Group Facilitator, Camp STARS,*** Atlanta, GA. Program planning and therapeutic groups for children's bereavement camp (volunteer staff) (weekend camp programs)

1990-1994 ***Graduate Teaching Assistant, Georgia State University:*** Assisted with instruction in graduate courses for counseling, school psychology, and clinical psychology students.

8/93-7/94 ***Predoctoral Psychology Intern, Emory University School of Medicine,*** Atlanta, GA; ***Center for Learning and Attention Deficit Disorders (CLADD), Department of Psychiatry***. Psychoeducational evaluations, home behavior management training, family therapy, medication evaluations, and school consultations for children with psychiatric and learning problems. ***Emory Clinic/Egleston Children's Hospital Summer Day Treatment Program for Children with Psychiatric Disorders***. Classroom consultation and instruction, parent support groups, and counselor supervision.

1992-5/93 ***Georgia State University Children's Transition Program:*** Cognitive and behavioral assessment, cognitive rehabilitation, data collection, and classroom consultation, for children with acquired brain injuries. Pre-doctoral Intern as of January 1993.

8/91-6/93 ***School Psychologist, DeKalb County GA Schools:*** Program evaluation, psychoeducational evaluations, parent and staff consultation and training, for a range of general and special education and magnet school programs. Pre-doctoral Intern as of January 1993.

1991-1992 ***Behavioral Institute of Atlanta:*** Psychoeducational assessments of children and adults, social-skills training.

1991-1992 ***Graduate Research Assistant, Georgia State University:*** Provided research assistance to Program Chair; primary responsibility involved preparation of program reaccreditation materials.

1990-1991 ***School Psychology Intern, Fulton County GA Schools:*** Full-time, paid position encompassing delivery of a full range of psychological services to elementary, middle, and secondary schools.

1989-1990 ***Volunteer Staff, Georgia Council on Child Abuse,*** Atlanta, GA: Crisis intervention and parent support services.

OTHER WORK EXPERIENCES

2004-2006 ***Artist/Sole Proprietor, MindBlowing Glass***, Atlanta, GA: private and retail sales of individually crafted fused glass art.

1987-1989 ***Technical Recruiter, Impact Executive Search,*** Atlanta GA: Career counseling and placement for individual clients and recruitment services for client companies.

Summers 1978-1984 Youth Swim Coach and Instructor, Charlotte NC.

TEACHING EXPERIENCES:

1998-2001 ***Assistant Professor and Graduate Faculty; Adjunct Faculty***, Department of Counseling and School Psychology, Southern Connecticut State University. Courses taught: *Assessment III, Introduction to School Psychology, Physical Bases of Behavior and Personality, School Psychology Internship, Theories of Counseling, Understanding Psychological Testing and Evaluation*

1997 ***Adjunct Faculty***, Georgia School of Professional Psychology. Course taught: *Child Neuropsychology*

1990-1994 ***Graduate Teaching Assistant***, Department of Counseling and Psychological Services, Georgia State University. Assisted with graduate instruction in: *Sociocultural Foundations in Counseling and Psychological Services, Group Counseling, Family Counseling, Schools and Family Psychological Services, Advanced Developmental Psychology, Individual Analysis, Assessment in School Psychology, Projective Techniques, Advanced Projective Techniques with Children*

CURRENT INTEREST AND RESEARCH AREAS:

Throughout my career, my research interests have been driven by clinical needs, with an over-arching focus on novel, interdisciplinary, and outcome-driven assessment and service-delivery models, along with professional and public advocacy and education related to behavioral sleep medicine, athlete brain health, sports-related concussion, sports neuropsychology, and developmental neuropsychology.

Recent research (2020-2022): Co-PI for collaborative survey research study (with Richelle Williams, PhD, Drake University; Jamie Pardini, PhD, and Nicholas Hattrup, PhD, Banner Health Phoenix AZ) examining middle school and high school Athletic Trainers' knowledge and practice patterns regarding baseline pre-season concussion testing and COVID-related practice changes.

PROFESSIONAL SERVICE:

Charlotte Chamber of Commerce Wellness committee (2026)

Society for Behavioral Sleep Medicine Education committee member (2023-2024).

Founding Member, Sports Neuropsychology Society (2012), and Education and Science Committee Member (2012-2013); Media Committee Member (2012-2013 and 2023-2025, Chair 2017-2018); Conference Planning Committee (2013-2018); 2015 Annual Meeting Co-Chair; Annual Meeting Sponsorship Chair (2016-2018); SNAPP Committee member, Telepsychology and Member Outreach subcommittees (2018-2025); Social Media Task Force and Social & Cultural Equity in Sports (SCES) Committee member (2022-2025); SCES Chair (2023-2025).

Iowa Psychological Association Diversity and Social Justice Committee member (2020-2022); Training Task Force (2021-2022); Ethics Committee Chair (2022); Crisis Response Task Force and Public Education committee member (2022)

Board Member, Kendore Learning Foundation (2013-2019)

Georgia Psychological Association Committee for Independent Practice Co-Chair (2016-2017), Telemedicine and Technology Committee Chair (2015-2016)

Reviewer, CDC Injury Control Research Center Special Emphasis Panel (April, 2014)

Member, Georgia Concussion Coalition (2013-2016); Advisory Board Member (2014-2016)

Head Coach, Montgomery County, MD, *Cancer to 5K* program (2013)

Attendee, 4th and 5th International Conferences on Concussion in Sports (November, 2012, Zurich; October, 2016, Berlin). Accepted registrant for Amsterdam 2022 meetings

Fall baseline concussion testing for Richard Montgomery High School, including education talks to 5 teams, plus 150 other athletes, and training PTSA volunteers to assist me in offering free baseline testing to high school and middle students through the PTSA and Booster Club (October, 2012).

Independent study advisor to Reservoir, High School student (Fulton, MD) for his Gifted/Talented Independent Research Program study of sports-related concussions (2011-2012 school year).

Scholarship reviewer, Ulman Cancer Fund for Young Adults (2011-2014).

Committee Member, National Academy of Neuropsychology Women in Leadership Committee (term 2010-2012).

Secretary, Montgomery County, MD GT/LD Network (term 2010-2011; 2011-2012; 2012-2013).

Volunteer monthly support group facilitator for parents of children with ADHD, *For Our Kids, For Ourselves* (June 2010 to November 2010).

Executive Board Member, GA Branch of the International Dyslexia Association (2005-2006).

Georgia Public Service Commission School Psychology Examination Content Review Committee (2005-2006).

Committee Member, Amit Community School Program Evaluation Committee (2003-2004).

Research committee Co-Chair, Connecticut Association of School Psychologists (1999-2000).

Ad hoc reviewer: *Developmental Neuropsychology* (1996-2000).

Program proposal review: National Association of School Psychologists annual conference (1996).

Shapiro, M. (September, 2013). *Sports-related concussions.* Presentation for the Lawrenceville Rotary Club (Lawrenceville, GA).

Shapiro, M. (August, 2013). *Current concepts in sports concussion management for the primary care physician.* Informal presentation to Gwinnett Pediatrics Partners' Meeting (Lawrenceville, GA).

Shapiro, M. (August, 2013). *Current concepts in sports concussion management for the primary care physician.* CME for Primary Care Physicians, Gwinnett Medical Center (Duluth, GA).

Shapiro, M. (August, 2013). *Management of sports-related concussions*. CME for Department of Orthopedics, Gwinnett Medical Center (Duluth, GA).

Shapiro, M. (August, 2013). Introductory remarks to the Gwinnett Chamber of Commerce Leadership Organization for Women (GLOW) bi-monthly meeting (Duluth, GA).

Shapiro, M. (August, 2013). *Gwinnett Medical Center-Duluth's Concussion Institute*. Presentation for the Gwinnett County Rotary Club (Duluth, GA).

Shapiro, M. (August, 2013). *School-based management of sports concussions*. Presentation for Gwinnett County Public Schools (GCPS) high school and middle school coaches (Suwanee, GA).

Shapiro, M. (August, 2013). *School-based management of sports concussions*. Presentation for Peachtree Ridge High School faculty and staff (Suwanee, GA).

Shapiro, M., and others (March, 2013). *Ask the experts (panel member)*. Workshop at the Weinfeld Education Group's annual Diamonds in the Rough conference (Rockville, MD).

Shapiro, M. (November, 2012). *Effective accommodations requests for high-stakes tests: Tips and strategies.* Continuing education workshop at the annual meeting of the National Academy of Neuropsychology (Nashville, TN).

Shapiro, M. (March, 2012). *Managing concussions in youth sports*. Presentation for the SAM Soccer Spring Coach's meeting (Germantown, MD).

Shapiro, M., and others (March, 2012). *Ask the experts (panel member)*. Workshop at the Weinfeld Education Group's annual Diamonds in the Rough conference (Rockville, MD).

Shapiro, M. (January, 2012). *To Accommodate or Not to Accommodate: Effective Requests for High-Stakes Testing*. Invited speaker for monthly local professionals meeting hosted by Dan Shapiro, M.D. (Rockville, MD).

Shapiro, M. & Goode, M.A. (October, 2011). *Finding the Right Match – Admissions Testing and the College Application Process for Students with Special Needs.* Invited speaker for the Alvord-Baker & Associates/Weinfeld Education Group 2011-2012 Speakers Series (Rockville, MD).

Shapiro, M. (January, 2011). *Caution – Testing Ahead. Planning for High-Stakes Testing Accommodations*. Presentation for the monthly meeting of the Montgomery County GT/LD Network (Rockville, MD).

Shapiro, M. (June, 2010). *Risk management – Concussions*. Presentation for the 2010 Annual Meeting of the Maryland State Youth Soccer Association (Germantown, MD).

Shapiro, M. (March, 2010). *Managing concussions in youth sports*. Presentation for the SAM Soccer Spring Coach's meeting (Germantown, MD).

Shapiro, M. (March, 2010). *Managing concussions in youth sports*. Presentation for the Damascus Soccer Club's Spring Coach's meeting (Damascus, MD).

Shapiro, M. (February, 2010). *Managing concussions in youth sports*. Part of the MSI 2010 Winter Coach Development Series (Bethesda, MD).

Shapiro, M. (December, 2009). *Management of concussions in student-athletes*. Lecture for the pediatric peer-supervision group at Suburban Hospital (Bethesda, MD).

Shapiro, M. (March, 2008). *Managing concussions in student-athletes*. Workshop for the Fairfax County Public Schools Department of Athletic Training (Falls Church, VA).

Gioia, G., Collins, M., & Shapiro, M. (November, 2007). *Pediatric sports concussion/mTBI: Neuropsychological assessment and management.* Continuing education workshop at the annual meeting of the National Academy of Neuropsychology (Scottsdale, AZ).

Shapiro, M. (May, 2007). *Assessment and management of pediatric concussion: Improving identification and diagnosis with evidence-based tools.* Advances in Pediatric Emergency Medicine (Silver Spring, MD).

Shapiro, M. (2006-2007). *Concussion in Sport*. Workshops presented to local prep schools and hockey teams (Ongoing, D.C./Maryland metro area) as part of baseline-testing programs.

Shapiro, M. (February, 2006). *Translating research into practice: Evaluation methods that make sense.* Workshop at the Annual Conference of the GA Branch of the International Dyslexia Association (Atlanta, GA).

Shapiro, M. (May, 2005). *Staff training.* Camp Kingfisher Counselor Training (Roswell, GA).

Shapiro, M. (April, 2005). *Lessons learned from reading research and common sense: Evaluating students with reading difficulties.* Presentation for the Annual Open Meeting of the GA Branch of the International Dyslexia Association (Atlanta, GA).

Shapiro, M. (April, 2005). *Neuropsychological assessment of school-aged students: So what?* Staff development workshop for the Department of Psychological Services, Fayette County Schools (Fayetteville, GA).

Shapiro, M. (March, 2005). *Understanding educational testing.* Presentation to the parent support group of the Cherokee/Cobb/North Atlanta C.H.A.D.D. chapter (Roswell, GA).

Shapiro, M. (October, 2004). *Use what you have: Assessment of executive functioning.* Staff development workshop for the Department of Psychological Services, DeKalb County Schools (Atlanta, GA).

Shapiro, M. (June, 2004). *Q & A with a child psychologist*. Staff development session for Camp Kingfisher summer camp counselors (Roswell, GA).

Shapiro, M. (March, 2004). *Raising your testing IQ: A primer for parents*. Parent Workshop sponsored by the Amit Community School Program and the Georgia Children's Network (Atlanta, GA).

Hiemenz, J., Shapiro, M. & Pelletier, S. (February, 2004). *School-based practice: Training and service-delivery models.* Presentation made during the Pediatric Neuropsychology Interest Group meeting at the annual meeting of the International Neuropsychological Society (Baltimore, MD).

Shapiro, M. B. (November, 2000). *Assessment of learning disabilities.* Workshop presented to the School Psychology Department, Meriden, CT Public Schools (Meriden, CT).

Shapiro, M. B. (October, 2000). *Reading disabilities: Definitions and assessment issues.* Workshop presented as part of a statewide Orientation for New School Psychologists sponsored by the Connecticut Department of Education and the Connecticut Association of School Psychologists (Hamden, CT).

Vandernoot, J., & Shapiro, M. (May, 2000). *An investigation of the efficacy of the Prepare Curriculum in improving the problem-solving skills of elementary school-aged children with attention-deficit Hyperactivity Disorder.* Presentation at the 1999-2000 Graduate Research Fellows' Symposium at Southern Connecticut State University (New Haven, CT).

Shapiro, M. B., & England, K. (March, 2000). *Perspectives for school psychologists: Assessment and intervention strategies for students with reading disabilities*. Continuing education workshops for school psychologists sponsored by the Connecticut Department of Education and the Special Education Resource Center (Madison, CT and Bristol, CT).

Shapiro, M. B. (October, 1999). *Assessment of learning disabilities.* Workshop presented as part of a statewide Orientation for New School Psychologists sponsored by the Connecticut Department of Education and the Connecticut Association of School Psychologists (Hamden, CT).

Shapiro, M. B. (October, 1998). *Language-based learning disabilities and phonological awareness*. Workshop presented as part of a statewide Orientation for New School Psychologists sponsored by the Connecticut Department of Education and the Connecticut Association of School Psychologists (Middletown, CT).

Shapiro, M. B. (November, 1996). *Neuropsychological assessment in the public schools: An oxymoron?* Staff development workshop presented to the Office of Youth Services, Atlanta Public Schools (Atlanta, GA).

Shapiro, M. (June, 1995; June, 1993). *Communicating with campers*. Training workshop for Counselors-in-Training, Camp Sunshine (Rutledge GA).

Shapiro, M., & Wheeler, P. (March, 1995). *Family stress and parenting: Managing behavior problems, sibling issues, marital issues.* Round table discussion at CURE Childhood Cancer and Leukemia Annual Parents' Weekend (Atlanta GA).

Shapiro, M. (October, 1994; September, 1993). *Interviewing for success in the new economy.* Workshop presented to M.S. and Ph.D. Candidates at the Institute of Paper Science and Technology at Georgia Tech University (Atlanta GA).

Shapiro, M. (May, 1993). *Process approaches to school based assessments.* Staff development workshop for the Psychological Services staff (Paulding County Schools).

Shapiro, M. (August, 1992). *Update on Attention-deficit Hyperactivity Disorder.* Staff development workshop for the Department of Psychological Services, DeKalb County Schools (Atlanta, GA).

Shapiro, M. (August, 1992). *Factor analysis and interpretation of the Stanford-Binet: Fourth Edition.* Staff development workshop for the Department of Psychological Services, DeKalb County Schools (Atlanta, GA).

PRESENTATIONS

Shapiro, M. (May, 2022). *Promoting athlete brain health: Incorporating behavioral sleep medicine tools to enhance performance and mitigate injury risk.* Virtual continuing education workshop for the National Academy of Neuropsychology.

Shapiro, M. (July, 2017). *Update on Concussion Management and Berlin Guidelines.* Brief presentation at the College Board Annual Reviewers Meetings (New York, NY).

Shapiro, M. & Silverman, S. (May, 2012). *Comprehensive Evaluation of ADHD in Adults*. Presentation for the C.H.A.D.D. Regional Conference (Baltimore, MD).

Schneider, J. C., Johnson, C., Shapiro, M., & Gioia, G. A. (February, 2008). *Correlation between Parent and Child Ratings of Emotional Functioning Pre and Post Injury.* Poster presentation to the Annual Meeting of the International Neuropsychological Society (Waikoloa, HI).

Acosta, M. T., Gioia, G., Marcus, D., Shapiro, M., Robert, M. Molina, P., Silva, A., & Packer, R. (February, 2008). *Lovastatin as Treatment for Neurocognitive Deficits in Children with Neurofibromatosis type 1 (NF1): Safety and Neuropsychological Data from Phase 1 Study.* Poster presentation to the Annual Meeting of the International Neuropsychological Society (Waikoloa, HI).

Shapiro, M. B., Gioia, G. A., Goldberg, D., & Milgrom, O. (February, 2007). *Recovery trajectories after pediatric mild Traumatic Brain Injury (mTBI).* Poster presentation to the Annual Meeting of the International Neuropsychological Society (Portland, OR).

Marcus, D., Shapiro, M, Seldin-Sommer, L., Gioia, G.A., & Janusz, J. (February, 2007). *Everyday Executive Functioning as a Predictor of Behavioral, Emotional, and Adaptive Functioning in Children with Neurofibromatosis Type 1.* Poster presentation to the Annual Meeting of the International Neuropsychological Society (Portland, OR).

Acosta, M., Gioia, G. A., Marcus, D. Shapiro, M. B. (2007). *Pharmacological intervention with Lovastatin for Learning Disabilities in Patients with NF1: Preliminary data in neuropsychological result in a phase 1 study*. Paper presentation to the annual meeting of the Children's Tumor Foundation. (Park City, Utah).

Acosta M.T., Seldin-Sommer L., Marcus D., Tifft C., Rosenbaum K., Shapiro M., Silva A., Gioia G., Packer. (2007) *Lovastatin as a Pharmacological Treatment for Learning Disabilities in Patients with NF1: Safety data from Phase 1 study*. Paper presentation to the annual meeting of the Children's Tumor Foundation (Park City, Utah).

Steinbach, K. A., Frijters, J. C., Sevcik, R. A., Shapiro, M. B., Wolf, M., Morris, R.D., & Lovett, M. W. (June, 2005). Multiple component remediation of reading disabilities in children: Outcomes for children varying in IQ and socioeconomic status. Presentation to the Society for Scientific Study of Reading (Toronto, CA).

Vandernoot, J., & Shapiro, M. (April, 2001). An investigation of the efficacy of the Prepare Curriculum in improving the problem-solving skills of elementary school-aged children with Attention-deficit Hyperactivity Disorder. Paper presentation to the Annual Meeting of the National Association School Psychologists (Washington, D.C.).

Shapiro, M., Fopiano, J., & Haynes, N. (March, 2000). *Chronic illnesses in children: Implications for school-based practice.* Mini-Skills Workshop at the Annual Meeting of the National Association of School Psychologists (New Orleans, LA).

Fopiano, J., Haynes, N., & Shapiro, M. (March, 2000). *Meeting the psychological needs of homeless children and their families.* Poster presentation at the Annual Meeting of the National Association of School Psychologists (New Orleans, LA).

Loughead, R., Loughead, T., Fopiano, J., Haynes, N., Nwachuku, U., & Shapiro, M. (April, 1999). *Combating violence in our youth and schools*. Workshop presentation at the Connecticut Counseling Association Conference (Waterbury, CT).

Shapiro, M. B., Morris, M. K., & Morris, R. D. (February, 1997). *A case study of neuropsychological functioning after Herpes Simplex Viral Encephalitis in middle childhood.* Poster presentation to the Annual Meeting of the International Neuropsychological Society (Orlando, FL).

Shapiro, M. B., Waldrop, S. M., Padgett, C. A., Krawieki, N., Morris, R. D., & Davis, P. C. (May, 1996). *The utility of Proton Magnetic Resonance Spectroscopy (MRS) in predicting cognitive outcome in pediatric brain tumor patients.* Paper and poster presentations to the 7th International Neuro-Oncology Symposium (Washington, D. C.).

Padgett, C. A., Waldrop, S. M., Shapiro, M. B., Krawieki, N., Morris, R. D., & Davis, P. C. (May, 1996). *Severity of brain tumor pathology and treatment correlated with Proton Magnetic Resonance Spectroscopy (MRS) in pediatric patients.* Paper presentation to the 7th International Neuro-Oncology Symposium (Washington, D. C.).

Shapiro, M. (March, 1996). *Educational planning for students with acquired brain injuries: Linking assessment with intervention.* Mini-skills workshop conducted at the annual conference of the National Association of School Psychologists (Atlanta, GA).

Shapiro, M., Montgomery, J., Foster, M., Perleberg, S., Morris, M., Suzman, K., & Hynd, G. (March, 1996). *Multidisciplinary interventions for children with acquired brain injuries: Perspectives from Georgia State University's Children's Transition Program.* Symposium presented to the annual conference of the National Association of School Psychologists (Atlanta, GA).

Shapiro, M., Morris, R., Flowers, C., Morris, M., & Jones, R. (February, 1996). *A neuropsychologically-based assessment model of the structure of attention in children*. International Neuropsychological Society (Seattle, WA).

Shapiro, M. (1995). *Educational planning for TBI students: Linking assessment and intervention.* Presentation for the spring conference of the Georgia Association of School Psychologists (Jekyll Island, GA).

Zucker, A., McCarthy, C., Laygo, R., & Shapiro, M. (June, 1993). *Tobacco use among college freshmen.* Poster presentation at the American Association of Applied Psychology Annual Conference (Chicago, IL).
